

DEGREASER POWDER

Legend Degreaser Powder is a heavy duty degreaser used for cleaning fat fryers, extraction filters, floors, walls and drains. Degreaser Powder is non-caustic and is safe for use on all kitchen surfaces including aluminium-cooking equipment, roasting trays, pots and pans. It can also be used in soak tanks.

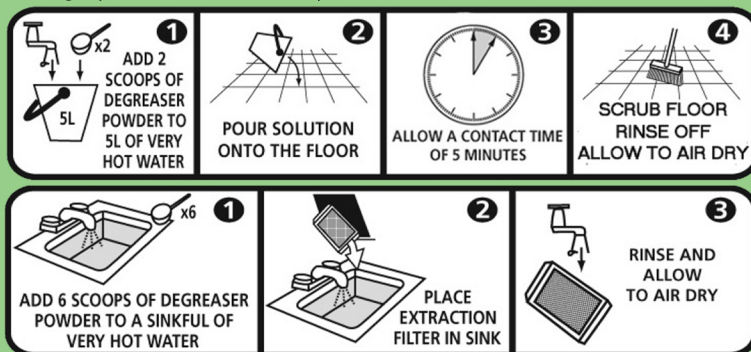

Pack size: 10kg Code: LEGM-AP0101

How To Use

FLOORS:

Display warning signs, sweep the area thoroughly and dispose of rubbish. Add 2 scoops (120g) per 5L of hot water, mix well, then pour the solution onto the floor. Allow to soak for 5 mins. Use a stiff broom to scrub the floor. Remove dirty water. Rinse floor thoroughly and allow to air dry.

WALLS & CANOPIES: Add 1 scoop (60g) per 5L of hot water, mix well. Scrub walls and canopies using a cloth or stiff brush and scourers. Rinse and leave to air dry.

EXTRACTION FILTERS: Fill a large sink with very hot water. Add 5-6 scoops (300-360g) and mix well. Place canopy filters in the sink. Allow to soak for as long as possible, preferably overnight. Rinse and allow to air dry before replacing the canopy.

FAT FRYER: The fryer must be switched off and the oil allowed to cool. Drain off the oil and $\frac{3}{4}$ fill fryer with hot water. Add 6 scoops (360g) of Degreaser Powder and mix well. Bring solution to the boil and simmer for 20 mins. Place wire baskets in the fryer to be cleaned. When finished, switch fryer off and drain the hot water. Thoroughly rinse and allow to air dry. Refill fryer with clean cooking oil.

SOAK TANKS: Use 2.5kg per 100L. Sprinkle powder into the tank and ensure the product is well mixed with the water. Use the solution within 30 days.

HEALTH & SAFETY
