How To Use

Oasis Peach Foamer is an acidic based washroom cleaner designed to remove limescale, soap scum and general grime from baths, wash basins and shower cubicles. Safe for use on glass, ceramic tiles, stainless steel and plastic surfaces. Pleasant residual fragrance after use. Quickly removes limescale. Fully biodegradable, presents no effluent problems.

5L Concentrate:

Dilute 120ml into a 1L spray bottle fitted with a foaming trigger head. Spray on to surfaces to be cleaned. Allow a few minutes contact time to allow the product to penetrate the limescale and dirt. Rinse off thoroughly with clean water. Buff to a shine with a soft cloth.

1L Ready To Use Trigger Spray:

Simply spray on and follow the above cleaning instructions.

DO NOT USE ON ACID SENSITIVE SURFACES
