How To Use

Eclipse is a non-caustic TFR. It is designed for use through a pressure washer. Eclipse is safe to use on all types of vehicle exterior bodywork as well as for cleaning and degreasing garage floor and forecourts.

Dilution rate: Up to 200:1 dependant on soiling. Use with a pressure washer. The dilution rate should be set using the machine's controls. Allow a sufficient contact time to penetrate the soiling before rinsing off with clean water.
