

## TAR & GLUE REMOVER

Legend Tar & Glue Remover is used to clean off tar and bitumen from vehicle surfaces, including windows. It is safe to use on glass, metal, wood, ceramic and UPVC, so can also be used on PVC doors and windows. It is easily applied and is fast-acting.

Pack size: 2x5L Code: LEGM-AT0340-2NEX

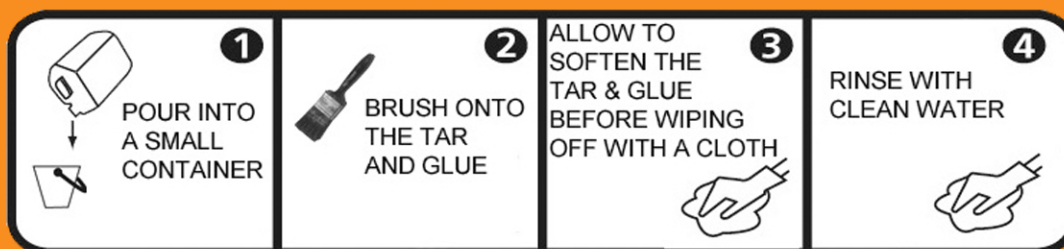

### How To Use

Tar & Glue Remover is supplied ready to use, do not dilute.

### For Best Results:

Pour the liquid into a small container. Use a small paint brush to apply the product onto the tar and glue residue. Allow the product to penetrate and soften the residue. Wipe off with a cloth then rinse with clean water.

### HEALTH & SAFETY

Please refer to the MSDS for full health and safety information.
