6x1L Code: LEGM-AE0321-SSW

Urinals

Wet Rooms

Carpets

Waste Bins

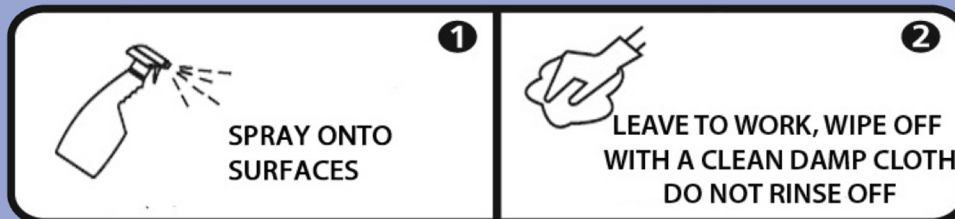

### How to Use

A unique biologically active cleaning agent and effective urine odour remover. Contains naturally occurring microbes to degrade organic matter, eliminating malodours at source. Highly effective at removing urine associated smells around toilets and urinals. Eliminates damp and musty smells in wet rooms and shower areas. Safe to use on all washroom surfaces including tiled, stainless steel, marble, ceramics, porcelain, plastics, vinyl and concrete. Safe to use on waterless urinals, waste bins and waste chutes. Will also clean bodily fluids from carpets and upholstery.

Simply spray onto surfaces, leave to work, then wipe off with a clean damp cloth. Do not rinse off.

Dilute the concentrate at 10:1 with clean water.

### HEALTH & SAFETY
