

## BC4000 BUBBLEGUM Odour Control Concentrate and Disinfectant

A concentrated solution that can be diluted up to 100:1. Safe to use on most hard surfaces including carpets and upholstery. Can be used as an additive in carpet extraction machines, pressure washers or can be sprayed to treat malodours. Leaves a long lasting, pleasant residual fragrance.

BC4000 Bubblegum conforms to EN1276 and EN13697. Allow a 5 minute contact time.

Pack size: 2x5L Code: LEGM-1094-2N  
4x5L Code: LEGM-1094-4N

### How To Use

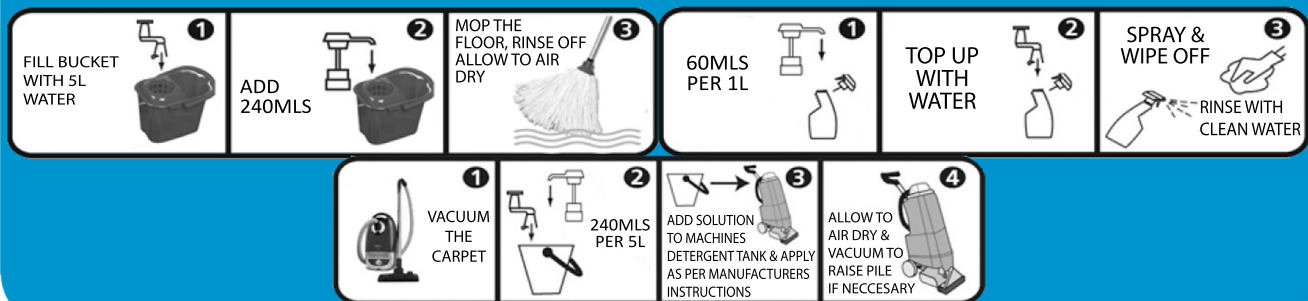

BC4000 is a highly fragranced bactericidal cleaner specially formulated to disinfect and tackle unpleasant odours. Ideal for use in public areas, bin rooms, washrooms, drains and vehicle interiors. BC4000 can be used for estate cleaning including concrete stairways, underpasses and flat clearances.

#### Directions for use:

#### Dilution Rate for Disinfection:

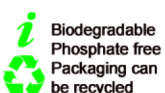

- Mop and bucket: 240ml per 5L of water
- Spray application: 60ml per 1L of water
- Machine application: 240ml per 5L of water

If present remove foul waste, rubbish and bodily fluids before treating the area with BC4000. Spray, mop or machine the affected area, try not to over wet, then leave to dry. Allow 5 minutes contact time to conform to EN1276 and EN13697.

#### HEALTH & SAFETY
