

## BC4000 BUBBLEGUM RTU Odour Control Concentrate and Disinfectant

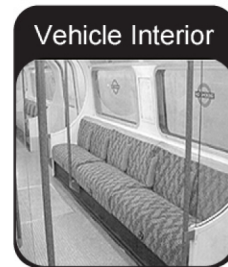

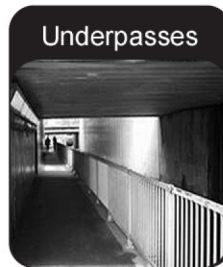

A convenient, ready to use version of Legend BC4000 Bubblegum Odour Control Concentrate and Disinfectant. It has been pre-diluted to enable use straight from the bottle - without the need to mix or dose the product. Safe to use on most hard surfaces including carpets and upholstery. Cleans and disinfects whilst leaving a long-lasting pleasant residual fragrance. BC4000 Bubblegum RTU conforms to EN1276 and EN13697. Allow a 5 minute contact time to ensure effective disinfection.

Pack size: 6x1L Codes: LEGM-1095-SSW  
IMPL-1095-SSW

Passes EN1276  
and EN13697

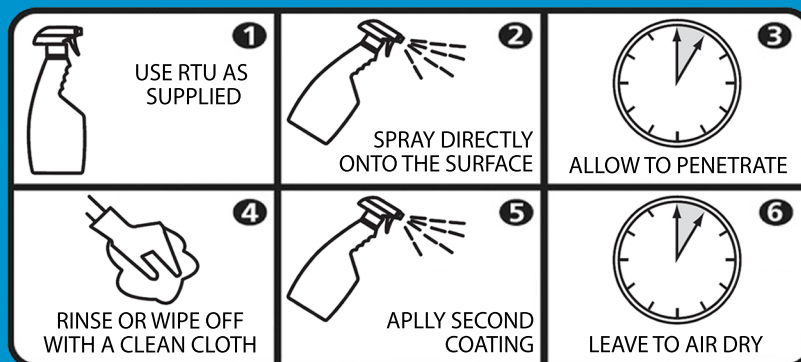

### How To Use

BC4000 Bubblegum RTU is a highly fragranced bactericidal cleaner specially formulated to disinfect and tackle unpleasant odours. Ideal for use in public areas, bin rooms, washrooms, drains and vehicle interiors. BC4000 Bubblegum RTU can be used for estate cleaning including concrete stairways, underpasses and flat clearances.

### Directions for use:

Use as supplied – do not mix or dilute the product.

If present remove foul waste, rubbish and bodily fluids before treating the area with BC4000 Bubblegum RTU. Spray the affected area, try not to over wet as this may cause a slip hazard. Allow the product to penetrate any remaining soiling then rinse or wipe off with a clean cloth. To disinfect after cleaning apply a second coating of BC4000 Bubblegum RTU and leave to air dry.

### HEALTH & SAFETY
