

M-FORGE Heavy Duty Degreaser

Legend M-Forge can be used on all hard surfaces, floors, walls and painted surfaces. M-Forge is suitable for cleaning floors, wall and worktop surfaces found in kitchens and food processing areas as it is odourless and non-tainting. Apply M-Forge with a trigger spray, mop and bucket or floor cleaning machine. It is suitable for use on linoleum, vinyl, thermoplastic, rubber, concrete, tiled, Altro, quarry tiles, stainless steel and composite floor surfaces. Effective with hot or cold water, M-Forge is phosphate-free and biodegradable.

Pack size: 4x5L Code: LEGM-AJ0160-4N

How To Use

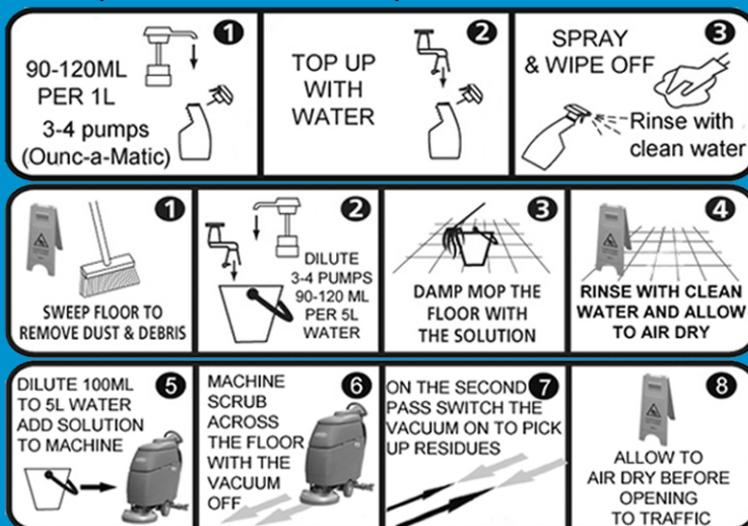

Dilute M-Forge before use.

M-Forge can be applied by trigger spray, mopping or floor cleaning machine. Depending on the chosen method, M-Forge can be diluted up to 50:1. Before floor cleaning place warning signs at entrances and exits. Sweep the floor and dispose of any rubbish.

General cleaning via trigger spray: Dilute between 90-120ml per 1L of water. Spray, brush or wipe onto the surface. For stubborn areas, leave for an adequate contact time before rinsing off with clean water.

Mop method: Dilute between 90-120ml per 5L of water. Mop solution onto the floor, rinse off with clean water before allowing to air dry.

Machine use: Dilute 100ml per 5L of hot or cold water. Add the mixture to the detergent tank and use the machine as per machine manufacturer recommendation.

WARNING: DO NOT ALLOW M-FORGE TO DRY ON GLASS AS IT WILL DAMAGE THE SURFACE
