

## OCTET

### Bactericidal All Purpose Cleaner

Legend Octet is a bactericidal all-purpose cleaner, effective against MRSA, that is ideal for use in Care Homes, Surgeries, Clinics, Schools and Leisure Centres. Octet is supplied as a concentrate and in a ready to use formulation. Octet concentrate can be diluted up to 150:1 dependant on how it is to be applied. Apply Octet with a trigger spray, mop and bucket or floor cleaning machine. It is suitable for washrooms, doorway entrances, work tops, table tops, floors and walls. Effective with hot or cold water, Octet is fully biodegradable.

Pack size: 4x5L Concentrate Code: LEGM-AO0001-4N  
6x1L Ready to use Code: LEGM-AO0001-SSW

#### How To Use

Ready to use formulation. Remove gross debris, spray onto surface and wipe off with a clean damp cloth. For ultimate disinfection results apply a second spray and allow 5 minutes contact time.

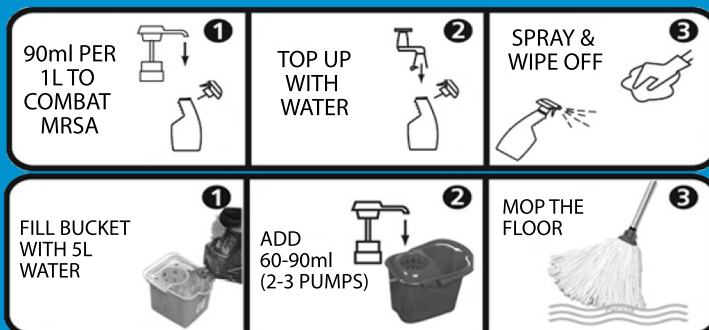

Concentrated formulation: See below for dilution and application guide. Before floor cleaning place warning signs at entrances and exits. Sweep the floor and dispose of any rubbish.

To combat MRSA: Dilute at 10:1 with water. Effective against MRSA in 1 minute, for general disinfection allow five minutes contact time.

General soiling: Dilute up to 100:1 with hot or cold water. Spray, brush or wipe onto the surface, leave for an adequate contact time before rinsing off with clean water.

Machine use: Dilute up to 150:1 with hot or cold water. Add the mixture to the detergent tank and use the machine as per the manufacturer instruction.

Mop method: Dilute up to 80:1 with water. Mop solution onto the floor, allow the floor to dry before buffing up using a floor machine fitted with a polishing pad.

#### HEALTH & SAFETY
