

ORANGE MULTI Multipurpose Cleaner

Legend Orange Multi is a citrus fragranced, effective, multi-purpose cleaner that is derived from natural orange peel. Orange Multi is ideal for use in schools, leisure centres, offices, housekeeping, hotel rooms, and even garages and workshop floors. It will effectively remove sticky residues, grease, oils, tar and ink, and is safe to use on Formica, ceramics, terrazzo, metal, Altro, stainless steel, quarry tiles, painted surfaces, plastics, fibreglass and UPVC. Orange multi is phosphate-free and biodegradable.

Pack size: 4x5L Code: LEGM-AD0280-4N

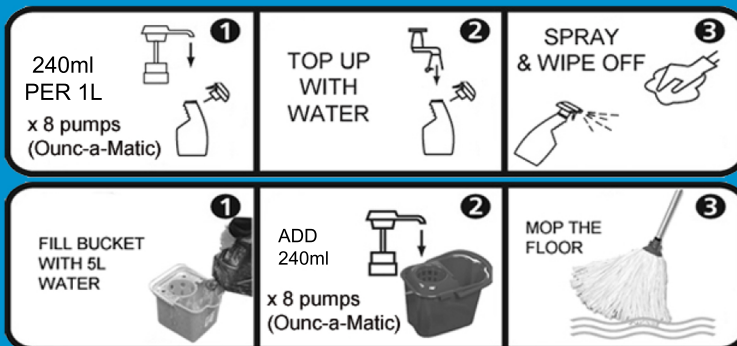

How To Use

Wear protective clothing, gloves, eye and face protection. Before floor cleaning place warning signs at entrances and exits. Sweep the floor and dispose of any rubbish. Dilute Orange Multi according to the application method and level of soiling.

General Cleaning: Dilute at 240ml per 1L with water. Spray, brush or wipe onto the surface, for stubborn areas, allow an adequate contact time before rinsing off with clean water.

Mop Method: Dilute up to 20:1 with hot water. Place warning signs at entrances and exits. Mop solution onto the floor, do not over wet the floor. Allow floor to dry before removing the warning signs.

Machine use: Dilute up to 40:1 with hot or cold water. Add the mixture to the detergent tank and use the machine as recommended by the manufacturer.
