

POOLSIDE CLEANER

Legend Poolside Cleaner has been specially formulated for daily use in leisure centres, health spas, swimming pool surrounds and shower rooms. Poolside Cleaner is safe to use on all tiled surfaces, ceramic, porcelain, concrete and stainless steel. It is a single stage treatment to clean the poolside surround, changing rooms and shower areas. It is an effective remover of limescale, grease, grime, body fats and soap scum.

Pack size: 2x5L Code: LEGM-AD0330-2W

How To Use

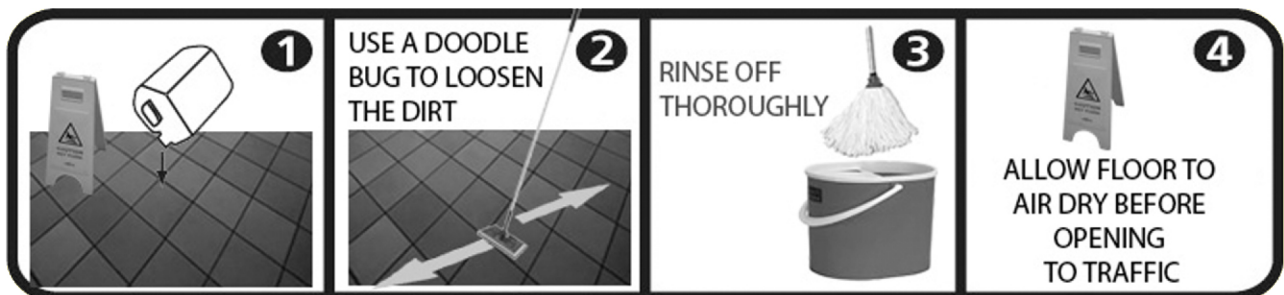

Wear protective clothing, gloves, eye and face protection. Do not carry out cleaning when the pool is in use. Before floor cleaning place warning signs at entrances and exits. Sweep the floor and dispose of any rubbish.

Dilution rates: Use the product as supplied, do not dilute.

Take care not to allow the Poolside Cleaner to enter the pool.

Pour the solution directly onto the surface to be cleaned. Agitate the area with a scourer, Doodlebug kit or a deck scrubber.

Allow a contact time of up to 5 minutes, but do not allow the product to dry. Rinse with clean water and allow to air dry. If there is a heavy build-up of ingrained grime then a second application may be required.

HEALTH & SAFETY

Please refer to the MSDS for full health and safety information.

DO NOT INGEST

DO NOT MIX WITH OTHER CHEMICALS

KEEP OUT OF REACH OF CHILDREN
