

POOLSIDE RENOVATOR

Legend Poolside Renovator has been specially formulated for use in the leisure industry. Poolside Renovator is a single stage treatment to clean the poolside surface, changing rooms and shower areas. It will efficiently remove limescale, grease, grime, body fats and soap scum.

Pack size: 2x5L Code: LEGM-AP0560-2W

How To Use

Wear protective clothing, gloves, eye and face protection. Do not carry out cleaning when the pool is in use. Before floor cleaning place warning signs at entrances and exits. Sweep the floor and dispose of any rubbish.

Heavy soiling: Use the product as supplied, do not dilute.

General cleaning: Dilute up to 4:1 with water.

Take care not to allow the Poolside Renovator to enter the pool.

Pour the solution directly onto the surface to be cleaned. Agitate the area with a scourer, Doodlebug kit or a deck scrubber.

Allow a contact time of up to 5 minutes, but do not allow the product to dry. Rinse with clean water and allow to air dry.
