### How To Use

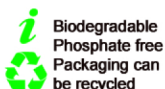

A viscous liquid hand soap combining high performance, low irritancy surface active agents and bactericides. Containing skin friendly cleaning agents and emollients to leave hands clean and without any dryness. This product is suitable for use throughout the food industry as it is perfume free and non-tainting. Conforms to EN1499.

Apply via a hand soap dispenser onto the hands. Wash and dry hands in the normal way.

### HEALTH & SAFETY
