

PYRAMID PLUS Heavy Duty Acid Descaler

Legend Pyramid Plus is a heavy duty acid descaler that has been formulated to remove rust and the toughest limescale deposits from a variety of metal surfaces. Safe to use on both ferrous and non-ferrous metals, Legend Pyramid Plus can be diluted up to 40:1 with water, dependant on the amount of scaling. Legend Pyramid Plus is a perfect descaler for use on glasswashers, dishwashers, bain-maries, tea and coffee urns.

Pack Size: 2x5L Code: LEGM-AP0080-2N
12x1L Code: LEGM-AP0083-SDN

How To Use

For best results:

Dilute up to 40:1 with water, 125ml per 5L, 4 pumps from Ounc-a-Matic per 5L.

Dishwashers & Glasswashers: Switch off the detergent dosing unit if present, or carefully remove the detergent fill pipe from the container. Switch the machine on and allow the water to fill. Add Pyramid Plus directly into the machine. Front-loading machines typically require 300ml - 500ml of Pyramid Plus. Pass-through machines typically require 500ml – 1L of Pyramid Plus. If there is heavy scaling the process may have to be repeated 2 or 3 times. After treatment rinse the machine by filling with fresh water and activating a wash-cycle, then repeat. Ensure that the detergent fill pipe is replaced into the container, or switch on the detergent dosing unit, before reusing the machine.

Urns and Bain-Maries: Add 125ml of Pyramid Plus per 5L capacity then top up to the fill level with water. Turn the unit on and allow to boil. Switch off the unit and allow the solution to soak for up to 30 minutes. Drain the unit and rinse thoroughly with fresh water before reuse.

HEALTH & SAFETY

Please refer to the MSDS for full health and safety information.

DO NOT INGEST

DO NOT MIX WITH OTHER CHEMICALS

KEEP OUT OF REACH OF CHILDREN
