	2x5L Code: LEGM-AS0020-2N	2x5L Code: LEGM-AS0060-2N
	4x5L Code: LEGM-AS0020-4N	4x5L Code: LEGM-AS0062-4N

How To Use

Legend Spectrum is a high foaming neutral detergent. Spectrum has been specially formulated to remove cooking oil, food residues and general soiling from cooking utensils. This product is available as Spectrum 15 Concentrate and Spectrum 20 Super Concentrate. Both are fully biodegradable, and present no effluent problems.

For best results:

Dilute at 500:1 with hot water, 30ml per 15L of hot water, 1 pumps from Ounc-a-Matic per 15L of hot water

Fill sink with hot water from the tap and add Spectrum. Wash pots, pans and utensils in the normal way. Use a scourer to remove stubborn food deposits from pots and pans. Heavily greased and burnt on items may require pre-soaking with Spectrum prior to washing in the sink. Rinse off with clean hot water and allow to air dry.

HEALTH & SAFETY

Please refer to the MSDS for full health and safety information.

DO NOT INGEST
DO NOT MIX WITH OTHER CHEMICALS
KEEP OUT OF REACH OF CHILDREN
