

## BEERLINE CLEANER

Legend Beerline Cleaner is designed to clean and sanitise pipes, pumps, keg dispensers and optics of build ups of yeast, sugars and proteins in a single operation. Beerline Cleaner is a concentrated formulation and needs diluting before use. Beerline Cleaner is non-tainting and will not affect beer head retention.

Pack size:  
2x5L Code: LEGM-AB0640-2OEX

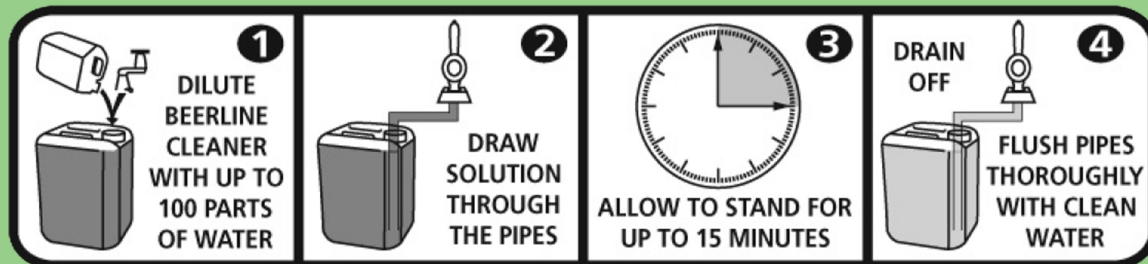

### How To Use

Beerline Cleaner cleans and sanitises in a single operation. Specially formulated to remove yeast, sugars and proteins from beerlines and optics. This product is non-tainting and will not affect beer head retention.

### For Best Results:

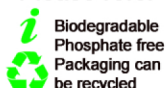

Dilute 1 part Beerline Cleaner with up to 100 parts of water. Draw the solution through the pipes and allow to stand for up to 15 minutes.

Drain off and flush pipes thoroughly with clean water.
