

CRUISER Heavy Duty Degreaser

Legend Cruiser is a powerful heavy duty degreaser for use on floors and walls, Altro and quarry tiled floors, fat fryers, soak tanks and drains to effectively remove stains and build-ups such as blood proteins, oil, carbon, grease and dirt.

WARNING: CRUISER IS NOT SUITABLE FOR USE ON SOFT METALS SUCH AS ALUMINIUM OR ZINC.

Pack Size: 2x5L Code: LEGM-AC0060-2NEX

How To Use

Cruiser is a non-tainting heavy duty degreaser, making it ideal for use in the food service industry. A truly versatile product ideal for cleaning fat fryers, extraction filters, kitchen floors and walls. It is also suitable for use in soak tanks and for unblocking greasy drains. Cruiser can be used to clean ceramic and quarry tiled areas, stainless steel, concrete, Altro and epoxy sealed floors. Fully biodegradable, presenting no effluent problems.

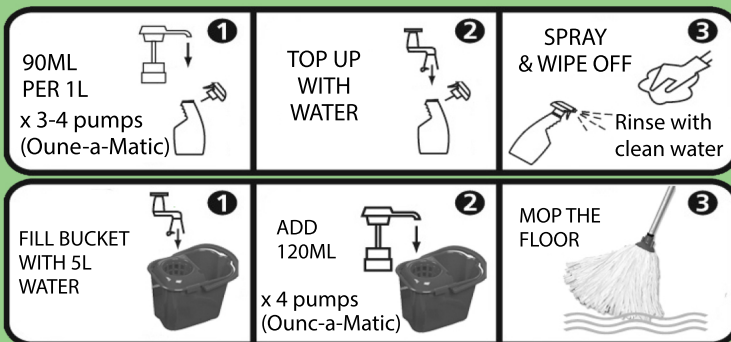

Can be applied by trigger spray bottle - add 90ml to 1L spray bottle and top up with water.

Fat Fryers: Switch fryer off and allow oil to cool before draining. Fill fryer with hot water. Add up to 8 pumps (240ml) Cruiser per 5L of water.

Switch the fryer on and increase the temperature to approximately 60°C. Leave simmering for up to 15 minutes before emptying. Rinse the fryer out thoroughly with clean water before re-use.

Floors & Walls: Dilute 4 pumps (120ml) per 5L in a bucket of hot water or floor scrubbing machine. Mop solution onto floors and leave for 1-2 minutes before rinsing off with clean water.

WARNING: CRUISER IS NOT SUITABLE FOR USE ON SOFT METALS SUCH AS ALUMINIUM OR ZINC
